

## School Scientific Committee (SSC)

### Objective:

1. Clearing MPH project proposals for scientific rigour prior to submission to institutional ethics committee (IEC).
2. Vetting PhD thesis proposal for relevance and scientific rigour prior to institutional presentation and subsequent submission to IEC.
3. Oversee and provide inputs with regards to papers being sent for conference and other relevant research initiatives.
4. Identify relevance and feasibility of newer academic initiatives (like a new course) of the school and provide the necessary inputs and guidelines

### Core members (for the term 1<sup>st</sup> July 2022 – 30 June 2021)

1. Dean
2. Sumit Wasnik , Associate Professor
3. Soumya Ponnar, Assistant Professor (biostatistics)
4. Rishika Saxena, Research Associate

### Invited members

This will be a moving cohort that will change every meeting. This is to enable experienced faculty from sister institutions to be a part of the process and provide valuable inputs

### Meetings

- At least 75% of the core members should be present during a meeting
- Meeting will be called for by the Dean's administrative office as the need arises. Faculty and students will be requested to submit their proposals to the committee at least 15 days prior to the deadline so that there can be a tangible outcome.
