

ANNUAL REPORT 2021-22 (1.04.2021 – 31.03.2022)

Sl.No	DETAILS	1.4.2021-31.3.2022
1.	About your School (about 250 words).	<p>The DY Patil school of Public Health(DYPSPH) was instituted in the background of the raging COVID 19 pandemic when the need for an energized public health system became ever so relevant. The school has been envisioned on the tripod of pedagogy, research and community engagement. The school functions from a state of the art centre of excellence situated at the DY Patil University campus in Navi Mumbai. Together, as a community of public health specialists, social scientists, biostatisticians, social workers, educators, researchers and students we strive to improve people's health through effective communication and better health practices.</p> <p>Vision To promote and protect population health</p> <p>Mission Dedicated to promote health for all people through</p> <ul style="list-style-type: none">• Excellence in public health education• Multi and trans disciplinary research• Meaningful community engagement• Contribution to public health policy
